

PE

In PE, we will develop our balance, agility and coordination through dance, using fireworks as a stimulus. We will also be taking part in outdoor adventurous activities, such as parachute games.

MATH

In math, we will be following the Maths- No problem! Scheme of work. The sequence of lessons this term will be as follows: Multiplication of 2, 5 and 10, Multiplication and Division of 2, 5 and 10 and Length.

ENGLISH

In English, we will be using a storybook as a stimulus for our writing. We will be discussing a story, considering roles and creating poetry all in the lead up to writing our own mystery stories.

DESIGN TECHNOLOGY

In design technology, we will be creating a large model of a well-known UK landmark. We will also be cooking our own Christmas themed dessert.

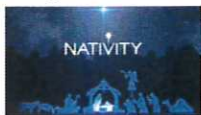

MUSIC

In music, we will be experimenting with using our voices expressively. We will be rehearsing for our nativity, 'Christmas with the Aliens'.

RE

In RE, we will be learning about Christianity and will be reading the Christmas Story.

PSHCE

In PSHCE, we will be learning about health and wellbeing. We will be considering how we keep our bodies healthy and personal hygiene. We will also consider likes and dislikes and making the right choices.

YEAR 2 CURRICULUM MAP

Bright Lights, Big City

Autumn Term 2

SCIENCE

In science, we will be learning about animals including humans. We will learn about the basic needs of animals and how animals have offspring that grow into adults.

FRENCH

In French, we will be learning about Christmas.

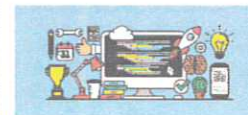

GEOGRAPHY

In geography, we will be learning to use world maps, atlases and globes to identify the UK and its countries. We will also be identifying characteristics of the four countries in the UK and their capitals. Lastly, we will be looking at seasonal weather patterns in the UK.

COMPUTING

In computing, we will be practising programming on screen.

ART & DESIGN

In art, we will be creating our own print designs. We will be experimenting with overlapping print designs, shapes and colours. We will be making our own clay slabs with print on.
