

MATHS

In Maths, we will be following the Maths - No Problem! Scheme of work. The sequence of lessons this term will be as follows: addition, subtraction, measuring length in centimetres, meters and kilometres and word problems involving length.

ENGLISH

Some of our English lessons will focus on punctuation, spelling and grammar and we will build up these skills throughout the year. Our other English lessons will work around a book. The book for this half term will be *The Lion, the Witch and the Wardrobe* by C.S Lewis. Some of the skills we will be working on include descriptive writing, balanced arguments using persuasive techniques and writing stories with imaginary worlds.

DESIGN TECHNOLOGY

We will design, make and evaluate a product linking to our topic. The children will be making a replica model of the Colosseum.

COOKING

We will plan, design and make a variety of different pasta salads.

FRENCH

This half term we will be learning different greetings such as asking and saying how are you.

PE

Children will perform dances using a range of movement patterns. They will also take part in outdoor and adventure challenges both individually and within a team.

YEAR 3 CURRICULUM MAP

Europa

Autumn Term 2

GEOGRAPHY

This half term we will be locating Europe on a map and name and locate some of the countries within Europe. We will compare and contrast two different European countries looking closely at their human and physical features. The children will use atlases, maps, globes and the internet to do this.

COMPUTING

This half term children will become 'bug fixers'. We will find and correct bugs using laptops.

SCIENCE

This half term we will be learning about light. We will be looking at why we need light to see and understand that dark is the absence of light. The children will also be investigating how shadows are formed and look at the different shadow sizes. Alongside this, the children will learn about sun safety and how we can protect ourselves from it.

MUSIC

We will be playing and performing using our voices and playing musical instruments. The children will also listen to sounds and recall them for memory.

ART & DESIGN

This half term we will be focusing on our collaging skills. We will be looking at the work of Paul Klee and Victor Vasarely as well as the drawings of Vincent Van Gogh.

PSHCE

Children will be learning about healthy lifestyles. Included in this will be hygiene, balanced diets and making informed choices.

RE

This half term we will be looking at the different religious symbols and expressions in Christianity.
