

### MATHS

In Maths, we will be following the Maths - No Problem! Scheme of work. The sequence of lessons this term will be as follows: multiplication, division measuring length in centimetres, meters and kilometre and word problems involving length and shape.

### ENGLISH

Some of our English lessons will focus on punctuation, spelling and grammar and we will build up these skills throughout the year. Our other English lessons will work around a text and a video. Some of the skills we will be working on include descriptive writing, diary writing and writing stories with historical settings.

### DESIGN TECHNOLOGY

We will design, make and evaluate a product linking to our topic. The children will be making replicas of Egyptian mummies.

### Geography

The children will be looking at human and physical features of Egypt. They will also be locating Egypt using maps, atlases and globes.

### FRENCH

This half term we will be learning different classroom instructions and asking different questions.

### PE

Children will take part in outdoor and adventure challenges both individually and within a team. They will also develop flexibility, strength, control and balance in gymnastics.

## **YEAR 3 CURRICULUM MAP**

### **Tomb Raiders**

### **Spring Term 1**

### HISTORY

This half term we will be learning about the Ancient Egyptians. The children will look at the achievements of the earliest civilizations looking closely at an Egyptians daily life, mythology, pharaohs and the pyramids

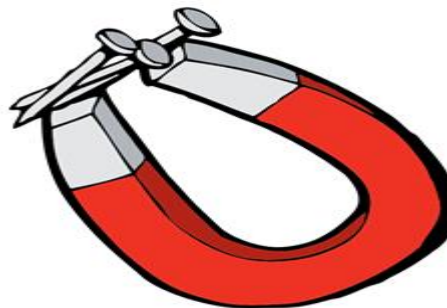

### COMPUTING

This half term children will become 'programmers'. We will make programs with animation.

### SCIENCE

This half term we will be learning about forces and magnets. The children will compare how things move on surfaces, how magnetic forces attract or repel and identify which materials are magnetic or not.

### MUSIC

We will be playing and performing in solos and ensembles. They will also be developing an understanding of the history of music.

### RE

This half term we will be looking at the different religious symbols and expressions in Judaism.

### ART & DESIGN

This half term we will be focusing on our printing skills. The children will be experimenting with different printing patterns onto selected surfaces.

### PSHCE

Children will be learning about aspirations and goals. They will also be looking at how to recognise and manage their feelings.
