

MATHS

In Maths, we will be following the Maths - No Problem! Scheme of work. The sequence of lessons this half term will be as follows: multiplication and division using whole numbers, word problems using whole numbers and graphs.

ENGLISH

Some of our English lessons will focus on punctuation, spelling and grammar and we will build up these skills throughout the year. Our other English lessons will work around a number of recipe books. We will learn about how recipe books change depending on their audience. We will also focus on persuasive writing and formal letters.

Design Technology

We will design, make and evaluate a decorative wreath. We will also cook a chosen dish from around the world. This will link with our trip to Pizza Express.

Noel

This half term we will have our Noel topic. In this topic, we will have our enterprise week that helps the children think about working for a company ready to sell something at the Christmas Fair. We will also have our Christmas performance.

COMPUTING

We will be Game Developers. We will be developing an Interactive game.

YEAR 5 CURRICULUM MAP

The World's Kitchen

Autumn Term 2

MUSIC

We will appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians.

GEOGRAPHY

Our focus this half term will be on food and farming around the world. We will use a range of resources to locate countries and continents around the world and learn about how climate zones affect the food produced.

PE

This half term we will be performing dances using a range of different patterns. We will use different traditional dances from around the world as a stimulus.

RE

Our focus this half term will include worship, pilgrimage and special places linked to Judaism and the Teachings of Islam.

SCIENCE

Our science focus for this half term will be living things and their habitats. We will learn about the life cycle of mammals, amphibians, insects and birds before learning about reproduction in some plants and animals.

PSHCE

Our focus this term will include relationships, health and well-being. We will also be looking at feelings and emotions as well as healthy lifestyles.

ART & DESIGN

This term we will be focussing on drawing and printing. We will continue investigating Hundertwasser images before moving on to reduction block printing.
