

MATHS

In Maths, we will be following the Maths - No Problem! Scheme of work. The sequence of lessons this half term will be as follows: fractions and decimals.

ENGLISH

Some of our English lessons will focus on punctuation, spelling and grammar and we will build up these skills throughout the year. Our other English lessons will work around the book 'The Firework-Maker's Daughter' by Philip Pullman.

Design Technology

We will design, make and evaluate a weaving tapestry. We will then join them into one whole class tapestry.

History

Our focus this half term will be on the Mayan civilization. We will contrast this against British civilisation during the same period of time.

COMPUTING

We will be Cryptographers. We will work on cracking codes. We will also understand how encryption works.

YEAR 5 CURRICULUM MAP

Mysterious Mayans

Spring Term 1

MUSIC

We will be learning to play the notes F and G on the guitar. We will also be composing music around our topic, the Mayans.

PE

This half term we will be focusing on Orienteering. We will take part in outdoor adventurous activity challenges both individually and within a team.

RE

Our focus this half term will be the symbols and Religious Expression of Buddhism.

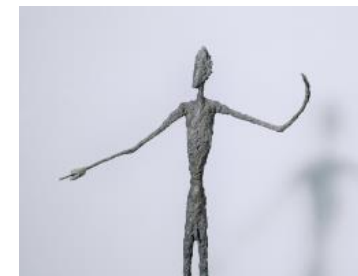

SCIENCE

Our science focus for this half term will be Earth and Space. We will focus on the movement of the moon relative to the earth, and the movement of the earth and other planets relative to the sun.

ART & DESIGN

This term we will be focusing on the work of Alberto Giacometti. We will produce 3D sculptural stick forms. We will record the process from concept to complete structures.

PSHCE

Our focus this term will include staying safe. We will focus on keeping physically and emotionally safe on and offline.
