

MATHS

In Maths, we will be following the Maths - No Problem! scheme of work.

This term we will be focussing on fractions and decimals. Fast Math will focus on developing basic skills in order to solve problems.

ENGLISH

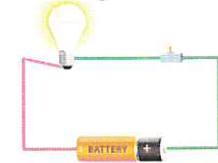

During this half term we will be looking at stories originating from Ancient Greece. We will be reading a variety of myths and legends. The genres we will focus on in writing are; myths and legends, fables, instructions and balanced arguments.

DESIGN TECHNOLOGY

In DT this half term we will be designing and making a Greek clay pot or jug. We will be looking at pots and jugs from the Ancient Greek era and using existing products to help us with our designs.

SCIENCE

In Science this half term we will be focussing on electricity. We will be learning about the components of circuits, how voltage relates to brightness and volume and the symbols used when drawing circuits.

PE

In PE, we will be learning about dance, improving our flexibility, strength, technique, control and balance. We will be working on making improvements to the dances we have created.

MUSIC

In Music, we will be working on recognising musical notation, listening to a wide range of recorded music and we will also be improvising and composing our own music.

YEAR 6 CURRICULUM MAP

Gods and Mortals

Autumn Term 2

GEOGRAPHY

This term in Geography we will be focussing on locating the world's countries and major cities on maps. We will be using maps, atlases and computers to describe the features of these places. We will be focussing on Europe and Greece.

HISTORY

In History we will be learning about Ancient Greek civilisation and its influence on the modern world. We will be looking at the legacy of the Ancient Greeks on later periods of history.

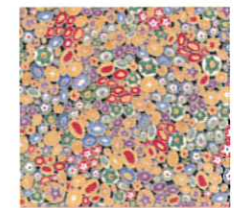

FRENCH

In French, we will be learning the language of the classroom as well as beginning to answer the register in French.

ART & DESIGN

This half term we will be focussing on collage and responding to the work of artist Gustav Klimt. We will be collecting examples, evaluating and creating our own pieces.

NOEL

During the last two weeks of this half term or topic will be 'Noel'. Normal Maths and English lessons will continue and other lessons will focus on getting ready for our Christmas performance and other projects around Christmas.

PSHCE

In PSHCE we will be focusing on living a healthy lifestyle and what influences our choices. We will also be considering other people's arguments and when we should and should not become involved.
